Subject: Buck CreekTrail Update

July 2nd 2012

The Buck Creek Trail is nearing completion of the design and approval phase with the Alabama Department of Transportation. The funding for the trail has been approved by the Metropolitan Planning Organization and the City of Helena, using federal funds to design and construct the trail with and 80/ 20 split with the City of Helena. The trail will hopefully be wrapping up the design and review phase this summer, and will be going to bid in the fall, with an expected date of construction to begin this winter or in early 2013. The trail will be constructed in three phases, which shall connect the Middle School, future High School, Hillsboro neighborhood, the Amphitheatre Park and the Helena Sports complex.

Please let me know if there is anything else I can send along.

Thank you

Ben
